2. Murodov Sh.N. – Ilmiy ishlar va innovatsiyalar bo'yicha prorektor, rais muovini;
3. Artikova H.T. – Yoshlar masalalari va ma'naviy-ma'rifiy ishlar bo'yicha birinchi prorektor, a'zo;
4. Muxtorov E.M. – Buxoro davlat pedagogika instituti o'quv ishlari bo'yicha prorektor, a'zo;
5. Ergashov M.Y. – O'quv-uslubiy boshqarma boshlig'i, a'zo;
6. Xaitov X.A. – Tillar fakulteti dekani, a'zo;
7. Xamdamova G.X. – Xorijiy tillar kafedrasini mudiri, a'zo;
8. Yusupova H.O'. – Xorijiy tillar kafedrasini dotsenti, f.f.n., a'zo;

TASHKILIY QO'MITA

1. Murodov Sh.N. – Ilmiy ishlar va innovatsiyalar bo'yicha prorektor, rais;
2. Jumayev O. – Moliya va iqtisodiy ishlar bo'yicha prorektor, a'zo;
3. Xaitov X.A. – Tillar fakulteti dekani, a'zo;
4. Akramova G.R. – Ilmiy tadqiqot, innovatsiyalar va ilmiy-pedagogik kadrlar tayyorlash bo'limi boshlig'i, a'zo;
5. Nematov D.Y. – Iqtidorli talabalarning ilmiy tadqiqot faoliyatini tashkil etish bo'limi boshlig'i, a'zo;
6. Qurbonov S.S. – Xalqaro hamkorlik bo'limi boshlig'i, a'zo;
7. Xamdamova G.X. – Xorijiy tillar kafedrasini mudiri, a'zo;
8. Kadirova N.A. – Filologiya fanlari bo'yicha falsafa doktori, dotsent;-
9. Yusupova H.O'. – Xorijiy tillar kafedrasini dotsenti, f.f.n., a'zo;
10. Baxranova M.A. – Xorijiy tillar kafedrasini katta o'qituvchisi, a'zo;
11. Pulatova S.Sh. – Xorijiy tillar kafedrasini o'qituvchisi, a'zo.

TEACHING CHILDREN TABOO WITH DIFFERENT MATERIALS IN PRE-SCHOOL AND PRIMARY EDUCATION

Khamdamova Gulshan Khamroyevna

Associate professor, Department of Foreign Languages,

Doctor of Philosophy in Philological Sciences (PhD)

Oltiboeva Marjona Asrorjonovna

Student of Bukhara State Pedagogical Institute

Abstract: The article examines the advantages and methods of introducing children to taboo subjects in preschool and primary school settings using a range of resources. Through the use of interactive and captivating resources like games, films, art supplies, and books, teachers may foster critical thinking in kids, help them understand and normalize forbidden ideas, and help them grow in tolerance and empathy for others. In the end, this strategy can assist kids in navigating cultural conventions and beliefs in a constructive and welcoming way.

Key words: art supplies, prohibited, a controversial issue, forbidden subjects, taboos, social norms and beliefs.

Introduction

Social or cultural behaviour that is regarded as inappropriate or prohibited is called taboo. In education, teaching kids about taboo subjects is still a contentious matter. Nonetheless, for kids to comprehend societal norms and values, they must grasp these subjects. Teaching kids about taboos using a variety of resources can be a useful method to convey these ideas in a way that is age- and safety-appropriate. The article will examine the advantages of teaching taboo subjects to young students in preschool and primary school using a variety of resources. or cultural behaviour that is considered inappropriate or prohibited is called taboo. Teaching children about taboo topics is still a controversial issue in the field of education.

Benefits of Teaching Taboo with Different Materials

A more dynamic and captivating learning environment is one of the key advantages of teaching kids about taboo using a variety of resources. Games, tales, and visual aids, for instance, can simplify difficult concepts for kids to understand. Books, movies, and art supplies are among the resources that might assist kids in creatively and non-threateningly expressing their ideas and emotions around taboo subjects.

It can also be less stigmatizing and more normal for children to learn about forbidden subjects through the use of various educational resources. Children can be taught to accept and value the differences in others by being exposed to forbidden topics in a positive and inclusive way. Children can be assisted in understanding how social and cultural standards shape taboo by, for instance, utilizing a variety of materials that depict various cultural viewpoints.

Teaching kids about taboos through a variety of resources can also foster their ability to think critically and solve problems. Through interacting with materials that showcase forbidden subjects from several angles, kids can develop their ability to objectively and impartially assess and analyze data. They may grow in empathy and tolerance for those who might hold different values or opinions as a result of this.

Materials for Teaching Taboo in Pre-school and Primary Education

Children in pre-school and primary schooling can be taught about taboo using a range of resources. Among the instances are:

Books: For teachers, children's books that tackle controversial subjects like diversity, mortality, and gender can be an invaluable tool. Children can learn difficult concepts in a relatable and developmentally appropriate way with the aid of books.

Art supplies: Through the mediums of drawing, painting, and sculpting, kids can communicate their ideas and emotions on sensitive subjects. Children can also benefit from art projects by learning how to express themselves and be creative.

Games: Playing educational games that tackle sensitive subjects like consent, mental health, and bullying can support children's learning. In addition to helping kids learn social skills and empathy, games may make learning enjoyable and participatory.

Videos: Short films and animated movies can be used to present taboo subjects interestingly. Children may learn about many viewpoints and cultures through videos, which can also start conversations about touchy subjects.

Conclusion

Using various resources to teach preschoolers and primary school students about taboo subjects can be a useful and successful strategy. Through a range of resources, including games, movies, art supplies, and books, teachers can safely and entertainingly assist kids in understanding difficult ideas. Children who do this may grow in their capacity for empathy, critical thought, and respect for others. In the end, teaching

taboos via various resources can assist kids in positively and inclusively navigating the complexities of social norms and beliefs.
